HOSTED BY

LEATHER CRAFTERS' JOURNAL

World Leather Debut winning saddle by Fritz Reidl

SHERIDAN, WYOMING - May 15th 16th 17th, 2026

WHAT IS THE WORLD LEATHER DEBUT

The World Leather Debut is a perfect example of our leather community coming together to do something very special.

For over 20 years, the World Leather Debut has served as a premier competition that is held during the Rocky Mountain Leather Trade Show in Sheridan, Wyoming in May of each year.

The event is open to all leather workers/artists of all skill levels worldwide. Sixteen categories are available for contestants to compete in (two of which are for our youth). And cash prizes totaling \$13,875 along with ribbons and certificates are awarded to those placing 1st, 2nd or 3rd in each category. The cash prizes are provided by over forty individuals, companies and organizations who generously sponsor the World Leather Debut with their cash donations.

Every contestant receives copies of their score sheets which include written feedback from the judges. And all artwork entered in the Debut is on display in a gallery setting during the trade show for the public to view and enjoy.

As reported by so many, the World Leather Debut is an enjoyable event that can challenge and even advance one's perspective, skills and self-confidence, whether a contestant or visitor to the event.

SPONSORS

Imperative to the success of the World Leather Debut are the sponsors who generously provide cash contributions towards the prize money and operations of this exciting event. The 2026 Debut will award \$13,875.00 in cash prizes to those who place 1st, 2nd and 3rd in each category. We appreciate the desire of each sponsor to contribute to the success of both the Debut and its participating artists.

Saddle is to be partially or fully basket or geometric stamped. Seat is to be 13” or larger.

Saddles predominantly stamped but containing a lesser amount of carving will be placed in the Saddles-Geometric or Basket Stamped category. Carving will not add to score but can detract if substandard in quality. Bring a tall stand if your saddle has “taps”. Regular Size stands available to rent. See registration form. *Judging Criteria: Design, Balance/Symmetry, Construction, Functionality, Stamping and Finish, Bonus Points.*

12 STAND ALONE - TOOLED:

Objects such as leather sculptures, clocks, boxes, storage cases, mirrors, holders, decorative items, animals and other such things that “stand alone” and don’t move or tend to be moved.

Items as such designed to hang on a wall are included in this category. The surface of these items is partially or fully tooled – either carved (floral, figure, pictorial, etc.), stamped (basket or geometric) or both. *Judging Criteria: Design, Construction, Carving/Stamping, Color & Finish & Accents, Bonus Points.*

13 TACK & SADDLE ACCOUTERMENTS:

Any leather riding or driving equipment related to the horse or the saddle (but not part of saddle), (e.g. reins, bridles, headstalls, halters, breast collars, tapaderos, pommel bags, saddle holsters, rifle scabbards, saddlebags, spur straps, etc.) (Braided items not included). *Judging Criteria: Design, Construction, Carving/Stamping (If Applicable), Color & Finish & Accents, Bonus Points.*

14 UN-TOOLED ITEMS:

Objects that would normally be classified in the Personal Items, Stand Alone or Purses, Bags & Wallets categories but whose surface is not carved/tooled (including swivel knife work) or stamped. Tools used only for molding purposes are allowed (which includes modeling tools).

Judging Criteria: Design, Construction, Color & Finish & Accents, Bonus Points.

15 YOUTH - JUNIOR DIVISION: AGES 8 TO 13

Only items matching description of Categories #1 through #15 are eligible to compete in the Youth category. Age is as of May 15, 2026. Entries in each division will be judged together (e.g. chaps, picture, and purse will compete against each other). All Rules and Regulations of the Debut apply to the Youth Category. Note: Youth are also eligible to participate in Main Categories 1 through 15 if interested. *Judging Criteria: Design, Construction, Carving/Stamping (If Applicable), Color & Finish & Accents, Bonus Points.*

16 YOUTH - SENIOR DIVISION: AGES 14 TO 18

Regulations in Category #16 apply.

Entries must be suitable for display in a gallery setting for all ages to view. For example, items can be disqualified for vulgarity, profanity and sexually explicit content. All questionable entries are subject to approval by an independent, undisclosed panel of artists. If concerned, submit photos of your entry for prior review by the artist panel. Judges reserve the right to disqualify an entry or move an entry to a more appropriate category. Thank you!

JUDGING

- 1 Judging of artwork takes place on Thursday evening, May 14, 2026 and Friday morning, May 15, 2026.
- 2 All entries will be judged for determination of First, Second and Third placement in each category.
- 3 Ribbons will be placed on winning entries as judging and scoring for each category is completed.
- 4 Judges and the Leather Crafter's Journal reserve the right to:
 - Move an entry into a more appropriate category.
 - Make exceptions for minor variances.
 - Disqualify an entry, all without contestant approval.
- 5 Judging of each category is done by two judges (barring unforeseen circumstances). All decisions of the judges are final. Each judge scores each entry based on the criteria reflected in each category description.
- 6 Each criterion is scored on the points basis, 1 being the lowest and 10 or 15 (dependent upon the category) the highest. As a judge evaluates an entry, he/she records each criterion's score on the judge's score sheet and then tallies them for that entry's total score. Each judge's score is then combined with their associate judge's score. The combined scores within a category are then compared to determine First, Second and Third placement.
- 7 Judges record their comments on the score sheets regarding the entry and the contestant's work. These comments are meant to provide the contestant constructive feedback as to what they are doing well and what can be improved, both in an effort to aid in the furtherance of their leatherworking skills. Copies of the score sheets are available for the contestants to pick up at the show or they will be returned with the artwork.
- 8 Consideration of individuals to serve as judges is based on their experience, knowledge, quality of work, recommendation by their peers in the leather community and availability. They make every effort to judge in an equitable manner according to general standards of the industry coupled with their own perspective of proper leatherwork. We appreciate the time they volunteer and the effort and personal concern each judge invests to fulfill, to the best of their abilities, the responsibility asked of them.
